They totally did not believe that at the gym. Me with my limp and Chaz with his fading-but-still-greeny-purple face.

I bet they were trying to decide which one of us was beating the other worse.

You realize,  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>), girls are totally not going to hit on you at the gym if you keep bringing me?

Thank you

This is Patricia Andreoli, wife of Daphne Worth, who you all knew as Trollcatz. Daphne died

...And there goes the weekend

But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

!!!!

They prob'ly thought you sprained your ankle kicking me in the nose. They *know* me there, remember? *g*

And you've seen me at the gym; I figure that's a lost cause. I pin my faith on dancing for mating display.
